### Instructions :

Please complete the High School Articulation Credit form and return to the GTCC Records Office. This form can be mailed in or sent via emailed to Kristen Fowler (kmfowler@gtcc.edu).

To receive credit, an official high school transcript is required showing a final grade of A or B in the articulated course along with the final CTE post assessment score. Final CTE Post Assessment scores will be sent to GTCC from the Guilford County Schools CTE Instructional Management Coordinator. Once final grades and CTE Post Assessment scores are received and validated, college credit will be awarded. If you have questions, you may contact Joe Rowbottom in the Records Office, jprobottom@gtcc.edu.
